### AFTERNOON SESSION DETAILS

#### Image of session

Report – Report can be typed or hand written for up to two pages.

## The Java collections Framework:

- Array List: Arrays the Easy Way
- Linked Lists
- Hash Map: Retrieving Objects via a Key
- Sorted Maps
- Sets
- Using Custom Objects in Sets and as Keys in Maps
- Sorting Lists

### HASHMAP:

```
1 AppView [X]
import java.util.HashMap;
import java.util.Map;

public class App {

    public static void main(String[] args) {

        HashMap<Integer, String> map = new HashMap<Integer, String>();

        map.put(5, "Five");
        map.put(8, "Eight");
        map.put(6, "Six");
        map.put(4, "Four");
        map.put(2, "Two");

        String text = map.get(6);

        System.out.println(text);

        for(Map.Entry<Integer, String> entry: map.entrySet()) {
            int key = entry.getKey();
            String value = entry.getValue();

            System.out.println(key + ": " + value);
        }

    }

}
```

### SORTING LISTS:

```
// Sort in order of ID
Collections.sort(people, new Comparator<Person>() {
    public int compare(Person p1, Person p2) {
        if(p1.getId() > p2.getId()) {
            return 1;
        }
        else if(p1.getId() < p2.getId()) {
            return -1;
        }
        return 0;
    }
});

for(Person person: people) {
    System.out.println(person);
}

System.out.println("\n");
// Sort in order of name
Collections.sort(people, new Comparator<Person>() {
    public int compare(Person p1, Person p2) {
        return p1.getName().compareTo(p2.getName());
    }
});

for(Person person: people) {
    System.out.println(person);
}

}
```

Report – Report can be typed or hand written for up to two pages.

*If it transpires that there is a surfeit of applications for this post, we may have cause to invite assistance from another department.*

- Keep it simple

If too many people apply, we may need help.

- Asking for clarification

Excuse me, I don't understand. Could you repeat that please using different words?

Could you put that more simply please?

Can I just clarify that please? Do you mean that you want
